The facilities of Reading Area Community College are publicly supported, and it is the policy of the Board of Trustees to encourage the use of facilities by the residents of the service area. However, the President may refuse a request as follows:

1. Priority is given to College-related functions, which includes staff and faculty and sanctioned student organization needs.
2. Events/meetings held by community groups must not interfere with the operations of the College. All community users are subject to the regulations of the College and the implementation procedures established by the College's Administration.
