

The Foundation for Reading Area Community College Honors Program Scholarship Application

The goal of the Honors Program Scholarship is to reward students who are academically motivated and intellectually curious and who have benefited from and demonstrated a commitment to an honors education. Eligible students must have **completed** at least six honors credits, maintained a 3.25 GPA (excluding developmental courses) and have a B or higher in all honors courses. Current recipients of the Honors Scholars Award (full 2 year scholarship) are not eligible to apply. Previous recipients of this scholarship may reapply after they have completed an additional 6 Honors credits.
