

Venturing into a Business Expedition!

The world of business changes every day and globalization is the new normal. Whether you are planning to enter in culinary arts or finance, or something in-between, here are some reasons why you should consider learning business and how it can open a world of possibilities for you.

- Develop crucial communication skills
- Marketing 101
- Accounting and budgeting: Don't fall short
- Unlock the entrepreneur inside you: Leave a mark on the world
- Investment and Finance: Learn what makes the world go round
- Management: A universal skill

After this session, students will:

- Understand how various business courses interrelate
- Identify parts of a business plan
- Analyze how a business plan helps companies make decisions
