FUNDAMENTALS OF PROJECT MANAGEMENT

EARLY REGISTRATION SPECIAL!

FUNDAMENTALS OF PROJECT MANAGEMENT

Time: 16 Hours, Price: ~~\$825.00~~ **\$725**

Mondays, Sept. 8 - Sept. 29 (Four, 4 hour sessions)

8am - 12pm

Location: Schmidt Training & Technology Center

This project management course offers a fundamental look into the key best practices of project management.

Participants learn how to plan a project and then lead the project to a successful delivery.

WHO SHOULD TAKE THIS COURSE:

- Aspiring Project Managers
- Professionals Transitioning to Project Management
- Team Leaders
- Small Business Owners or Entrepreneurs
- Anyone Interested in Improving Project Skills

Meet Our Instructor:

Daral A. Woerle, Esquire, PMP was born and raised in Berks County. He served on active duty in the United States Army for eight years before obtaining a law degree. He has been providing leadership and consulting services for over 35 years. Currently, Daral serves as the president of PinnaclePM, LLC, a management consulting company focusing on providing project management, process improvement, and training services to a broad range of organizations, government entities, and businesses from small startups to Fortune 100 companies like Facebook, Subaru, and the United Nations.

Daral has earned both the Project Management Institute's (PMI) Project Management Professional (PMP) and Prince2 Practitioner certifications and is a designated PMP prep course instructor, with extensive experience teaching this topic to both in-person and remote students. He has taught Project Management courses to thousands of students both here and abroad.
