Students are required to take a RACC placement test for COM 121 and MAT 160, have appropriate SAT scores for placement, or transfer an approved equivalent course from another college. Students placing below the knowledge level of these courses will be required to pass one or more pre-requisite courses before registering for these courses. Other courses may require additional pre-requisite courses depending on math, reading, and writing placement as detailed on the course description pages.

Completion of MET 120, MET 130 and MET 140 is required for AMIST-1 certification.

\*Sections of these courses offered in the Honors Program, check <https://www.racc.edu/academics/honors-program> for details. **Online (OL)** may not be offered every semester. Please check the schedule.
