Estimated 2019-20 MLT Program Costs

RACC charges a flat rate for full time students. A full-time student is registered for 12 – 18 credits. Students registered for less than 12 credits are charged by the credit. The following figures are an estimate and will vary depending on individual circumstances.

Tuition includes fees	Berks County Resident	Out of County Resident
Full-time Tuition (12 – 18 credits) per semester	\$2835	\$4875
Part-time Tuition (1 – 11 credits) per semester	\$189/credit	\$325/credit

Additional Expenses*

In addition to the standard tuition and administrative fees, there are additional costs for students in the Medical Laboratory Technician Program:

MLT Program Lab Fees (\$405/semester)	\$1620
Liability Insurance (\$23/AY year)	\$46
Books	\$1500
Background Clearances	\$60
Drug Screen	\$39
Graduation Pin	\$25 - \$302
ASCP BOC Exam registration	\$215
Estimated Total	\$3505

*Medical Records Packet requirements (such as physical exam, vaccinations, and titers) are dependent on health care insurance coverage and not listed in additional costs. Students must be enrolled in a health care insurance plan during the clinical semester.
