

Fast Track option in the Medical Laboratory Technician Program

The fast-track option in the MLT Program is an individually designed plan for students who already have a previous degree in a health-related science.

You may qualify for a fast-track option if you:

Have a bachelor's degree in one of the following:

- Biology
- Bio-chemistry
- Microbiology
- Kinesiology
- Other health-related science

And have already taken:

- Chemistry I
- Organic chemistry
- Anatomy & Physiology I and II
- Immunology

For more information to see if we can design
a fast-track option for you, please contact:
