This booklet contains policies associated with the exam and frequently asked questions. If after reading this booklet, you have further questions regarding the exam, please go to atitesting.com. If you have questions regarding the admissions criteria as it relates to the exam, please contact the Health Professions Division at 610-372-4721 ext. 6226.

Frequently Asked Questions (FAQ)

Who is required to take the TEAS®?

Applicants to the Associate Degree, Practical Nursing and Respiratory Care programs at RACC.

What is the TEAS® assessment?

The Test of Essential Academic Skills (TEAS®) administered by Assessment Technologies Institute, LLC (ATI) is a standardized, timed, computer-based exam designed to assess the general academic preparedness of students interested in applying to the RN, PN, or RC programs. The test measures knowledge in basic, essential skills in the academic content areas of Reading, Mathematics, Science and English.

What is the purpose of the TEAS®?

The TEAS® assessment evaluates academic readiness of applicants for the health professions programs. The results may be referenced during the advising process to identify areas where additional support may be needed.

What subject areas are included in the TEAS®?

The test consists of 170 multiple-choice questions (150 are scored). There are four sections: Reading, English, Math and Science. Basic understanding of these subjects is important for success in a nursing program.

The Math subtest measures knowledge of whole numbers, metric conversions, fractions and decimals, algebraic equations, percentages and ratio/proportion.
The Science subtest covers science reasoning, science knowledge, biology, chemistry, anatomy, and physiology, basic physical principals and general science. The English subtest measures knowledge of punctuation, grammar, and sentences structure, contextual words, and spelling. The Reading subtest covers paragraph comprehension, passage comprehension, and inferences/conclusions.

**How many sub-sections of the exam am I required to take?**

You are required to take all four sub-sections of the exam (Math, English, Reading, and Science).

**How do I prepare for the TEAS®?**

Since TEAS® scores are part of your application to a highly competitive program, you should prepare thoroughly for the exam.

- Study manuals and practice assessments are available for purchase on the ATI website. To access the manual and practice assessments, login to the ATI online store at [https://www.atitesting.com/ati_store/Default.aspx](https://www.atitesting.com/ati_store/Default.aspx).
- The Yocum library at RACC also has a limited number of study manuals.

**What score do I need to be considered for admission into the program?**

**AND, PN, and RC Programs**: Primary consideration for admission will be given to a student who scored at the TEAS® academic preparedness level of PROFICIENT (58.7) and above.

***Scores will not be combined from multiple TEAS attempts to meet the benchmark.***

**When should I take the TEAS®?**

*You cannot take the exam until the minimum admission requirements to the program of interest are met.* To avoid unnecessary early testing and cost, you must meet with an academic advisor and receive approval before scheduling your TEAS® exam. A student must receive permission from an academic advisor from the Advising Center prior to scheduling the TEAS exam. Contact or visit the Advising Center @:

**ADVISING CENTER**
LOCATION: BERKS HALL B-209
PHONE: 610-607-6245
EMAIL: ADVISING@RACC.EDU

**Can I use results of TEAS® taken previously?**

Yes, TEAS® scores are valid for two years from the date of the last exam.
**How often can I take the exam?**

The TEAS® is limited to **two attempts per year**. The minimum time between a first attempt and a repeat attempt is 30 days. Scheduling exams thirty days apart allows a student to remediate and prepare for the next exam. **Results will not be considered for an exam taken less than 30 days from a previous attempt.** The highest achieved score of exam(s) will be considered for admission.

**Is there a deadline for testing?**

So the TEAS® results can be reviewed with your application, testing must be completed prior to applying to the program. TEAS® deadlines used for admission to the ADN, PN, and RC programs are the last day of the following months:

- ADN Program: March
- PN Program: June
- RC Program: May

**If I receive testing accommodations, may I receive them to take the TEAS?**

Yes, you may receive testing accommodations provided you have documentation of the need for accommodations. Contact Disability Services to discuss and set up a testing time for accommodations. Please allow plenty of time to set up accommodations and testing to facilitate your success. **Students must provide accommodation documentation to Disability Services before scheduling their TEAS®.**

**What is the cost of the TEAS® test?**

The cost to register for TEAS® at RACC is approximately $97.00 (non-refundable) including tax, and includes one TEAS transcript sent to RACC. The fee must be paid online, in advance, by debit or credit card when registering for the exam. Please make sure you select RACC to receive your transcript. Additional transcripts may be sent to other schools of choice for an additional $27 per transcript.

**How do I register to take the exam at RACC?**

**Step 1:** Meet with your assigned academic advisor or navigator to verify you have met the pre-requisite requirements of the program.

**Step 2:** If you meet pre-program requirements, your assigned academic advisor will provide you with authorization to schedule the TEAS. The authorization provides verification that you have met pre-program requirements and are ready to schedule the TEAS exam. Please be advised, authorization is provided only after meeting with your assigned academic advisor, so plan accordingly.

**Step 3:** Upon receiving the authorization, you can schedule your TEAS exam.
Step 4: Scheduling the exam requires creating an account on the ATI website. If you are not a current user on www/atitesting.com, you must create a new account to access the student portal or to make a purchase from the ATI online store.
