

READING AREA COMMUNITY COLLEGE
 DIVISION OF HEALTH PROFESSIONS
MEDICAL LABORATORY TECHNICIAN PROGRAM

Estimated 2022-2023 Tuition Costs

RACC charges a flat rate for full time students. A full-time student is registered for 12 – 18 credits. Students registered for less than 12 credits are charged by the credit. The following figures are an estimate and will vary depending on individual circumstances.

Tuition fees	Berks County Resident	Out of County Resident
Full-time Tuition (12 – 18 credits) per semester	\$3,030	\$5,235
Part-time Tuition (1 – 11 credits) per semester	\$202/credit	\$349/credit

Additional Expenses*

In addition to the standard tuition and administrative fees, there are additional costs for students in the Medical Laboratory Technician (MLT) Program:

ITEM	COST
Health Profession Program Fees	\$ 1215
Online Services: Clinical Document Compliance	\$124
Liability Insurance (\$23/AY year)	\$46
Books	\$1500
Background Clearances	\$ 60
Health Screening (Physical exam, vaccinations, titers)	Varies
Graduation Pin	\$25-\$81
ASCP BOC MLT Exam Registration	\$215
Estimated Total of Additional Expenses	\$3185

***Estimated rates are as of October 2022– subject to change*

* Health Screening requirements (such as physical exam, vaccinations, and titers) are dependent on health care insurance coverage and not listed in additional costs. Students must be enrolled in a health care insurance plan during the clinical semester.
