

The Mission of Catholic Charities is to provide compassionate human services with respect for the sanctity of all human life.

Supportive Services for Veteran Families

Catholic Charities provides services to veterans and their families who are homeless or at risk of homelessness and/or lacking the resources for housing stability.

Through the development of a service plan, staff will work with the individual veteran and their family and assist with rent, utilities, emergency support, moving expenses, education, transportation, and/or child care.

Catholic Charities will network with churches and community groups to sponsor veterans and their families and help veterans find jobs.

The Catholic Charities Counseling Program is also available for veterans and families as needed.
