Veterans Coalition of Pennsylvania (VCOP) Mission

A collaborative initiative designed to identify and unify the resources within its communities in order provide higher quality coordination of services to Veteran families during their time of need. Vested stakeholders such as community leaders, residents, local agencies, companies, service providers and Veterans alike join forces to combat the issues faced by Pennsylvania Veterans and their families.

Veterans Coalition of Pennsylvania (VCOP) Vision

Provide an all-inclusive network of supports to address the issues of homelessness, unemployment/underemployment, financial hardship, educational opportunities, family support systems and basic sustenance through peer guidance to improve the lives of Veteran families.

Visit us on the web at www.TeamVCOP.org, or in person at 339 Blair Avenue, Reading, PA 19601
