

FEE**PURPOSE**

PER CREDIT HOUR FEES

Activity Fee This fee helps support the college’s general operations, including cocurricular activities, special programs, and other student-related services.

Institutional Fee This fee supports the college’s general operating budget, including the maintenance of facilities, cocurricular activities, special programs, and other student-related costs.

Technology Fee The technology fee supports the maintenance of existing technology services and the development of new technology initiatives across the college.

Capital Outlay Fee This fee is required for all full-time and part-time students who reside outside of Berks County. The capital outlay fee helps offset the cost of maintaining and improving college facilities and equipment.

International Fee An international fee is charged to students who are citizens of countries other than the United States and who enter the U.S. on nonimmigrant visas to offset administrative costs.

Matriculation Fee A one-time fee will be assessed to support the administrative costs associated with student record keeping and graduation.

Science Lab Fee A \$200 fee is charged for selected science courses offered through the Science/Math Division

Transcript Fee This fee covers the cost of processing and issuing an official college transcript.
