

Exceptions to the \$200 Science Laboratory Fee Charge

The following STEM classes are *not* charged the \$200 lab fee, as students are required to purchase lab kits and microscopes directly from the bookstore for these online courses. Please check with the bookstore for the costs of the required lab materials for your class.

ONLINE COURSES W/ LAB KITS PURCHASED IN THE BOOKSTORE

<i>Course Name</i>	<i>Course #</i>	Fall, Winter, Spring, Summer Section Offerings <i>Section #'s</i>
Essentials of Biology	BIO 140	1800, 1801, 3800, 3801, 4860, 4861
Anatomy & Physiology I	BIO 250	1800, 1801, 3800, 3801, 4860, 4861, 0860, 0861
Anatomy & Physiology II	BIO 255	1800, 1801, 3800, 3801, 4860, 4861
Microbiology	BIO 280	1800, 1801, 3800, 3801, 4860, 4861

The following STEM class sections are *not* charged the \$200 lab fee, as they will be using simulations instead of physical lab materials.

OTHER ONLINE COURSES

<i>Course Name</i>	<i>Course #</i>	<i>Section #'s</i>
Biological Concepts	BIO 120	1800, 1801, 3800, 3801, 4860, 4861
Principles of Physics	PHY 120	4860
Chemistry of Biomolecules	CHE 251	6800
Theory of Chemical Instruments	CHE 260	5800

The following STEM class sections are *not* charged the \$200 lab fee, as a lab is not currently associated with the class or the course is taught remotely.

<i>Course Name</i>	<i>Course #</i>
Introduction to Forensics	CHE 105
College Physics I	PHY 250
College Physics II	PHY 255
