Pharmacy Technician

Reading Area Community College is proud to announce their partnership with Tower Health! Pharmacy Technician program students will experience classroom lecture, hands-on training in the lab and practicum experience in a hospital setting.

How long does it take to complete?

The program runs three evenings per week from 5:00pm to 9:00pm for 18 weeks.

What does this program cost?

The cost for the program is $2,995.00.

Are there additional costs?

No, books and fees are covered in the program cost.

Is financial aid available?

No, this program is not eligible for financial aid.

Are there scholarships?

RACC does not offer scholarships for the Pharmacy Technician program at this time.

What classes will I take?

The Pharmacy Technician program covers topics such as fundamentals, administrative processes, pharmacy technology, medical distribution practices, pharmaceutical sciences and mathematics, and pharmacy business and law.

When is the program offered?

Please call 610.375.8188 for information.

Will I be hired by Tower Health after I complete the program requirements?

Students of the Pharmacy Technician program must apply and interview for any positions at Tower Health. While it may be beneficial to be a student of the program, it does not guarantee employment.

What are the requirements?

Please call 610.375.8188 or visit racc.edu/careertraining to complete an interest form.
